**October 5, 2017**

Looking for a new furry friend?

Saturday, October 14, BISSELL Pet Foundation is hosting its Empty the Shelter event.

BISSELL Pet Foundation announced this will be its largest Empty the Shelter event yet.

On Oct. 14, BISSELL Pet Foundation will pay adoption fees at more than 75 shelters and rescue organizations across Michigan.

In the last 17 months, the Grand Rapids-based nonprofit says more than 9,000 cats and dogs have found loving homes through the Empty the Shelter events.

- The goal of the event is to find a home for every animal at the shelter during a short time period
- Adoptions are fee-waived during the event
- The key to success is conveying its urgent goal to the public

Those looking to adopt a pet during the Empty the Shelter event will still be required to pay licensing fees for their pet.

Livingston County Animal Shelter will be one of the participating shelters and will have dozens of wonderful pets ready for adoption the day of the event. LCAS does require a pre-adopt form to be completed prior to the event, this must be done at the shelter located at 418 S. Highlander Way, Howell, MI 48843. Please contact the shelter for further information 517-546-2154.
