

**WOW! Marks Entrance into East Central Michigan with \$10,000 Donation to Livingston County Habitat for Humanity for Veteran Home Repair Project**

*Funds supported WOW! volunteer efforts to replace flooring and doorway for local homeowner*

Hartland, MI – June 18, 2025 – [WOW! Internet, TV & Phone](#) (NYSE: WOW) a leading broadband services provider, today announced the company has made a \$10,000 donation to [Livingston County Habitat for Humanity](#), a nonprofit organization whose mission is to bring people together to build homes, communities and hope. The donation follows the recent [launch](#) of WOW!'s all-fiber internet services in Brighton, Michigan, further underscoring WOW!'s commitment to giving back to the communities it serves.

WOW! awarded the donation to a Habitat for Humanity representative onsite during the volunteer build day. The funds enabled critical safety repairs for a veteran's home in Livingston County, mitigating risks to the homeowner and their HVAC systems. The WOW! volunteers assisted with replacing the floor in the mechanical room, as well as extending the doorway into the bathroom.

In addition to the build day, WOW! is a presenting sponsor and speaker at Livingston County Habitat for Humanity's 2025 gala, which will take place September 12. The money from the gala is earmarked for the organization's building program, helping to support even more families through impactful home build and repair projects.

"Creating safe, decent and affordable housing for families in need in Livingston County is critical to enabling a vibrant and healthy community," said April Dertian, resource development director at Livingston County Habitat for Humanity. "We're grateful for WOW!'s generous donation to help us carry out this mission and provide critical home safety repairs for a community member."

"Our team is thankful for the opportunity to come together to support this build day for a local veteran as well as Livingston County Habitat for Humanity's annual gala to fund vital home repair projects for even more residents," said Bryant Murray, operations manager at WOW!. "Through our community partnership and dedication to providing best-in-class broadband services, we look forward to continuing to serve Livingston County and more East Central Michigan communities as we expand in the coming months."

WOW! plans to extend its all-fiber network to additional communities in Livingston, Genesee and Oakland counties, including Hartland, Milford, Commerce Township, and Wixom, with plans to add 80,000 homes as part of its ongoing Greenfield expansion initiative. WOW! currently serves customers in mid-Michigan and Southeast Michigan, in addition to its growing East Central Michigan footprint.

Residents and businesses can experience WOW!'s all-fiber network and fastest speeds available, along with simplified pricing, no annual contracts, no data caps, and the necessary WiFi equipment to get started. WOW!'s offerings also include [WOW! mobile](#) powered by Reach, comprehensive [business solutions](#), and bundling options with [YouTube TV](#), one of the most popular and robust live TV video services.
