RE Request for Fence Permit – American Legion Devereaux Post 141

Sarah,

The Township is in receipt of an email from you requesting a permit to install a fence for the American Legion Devereaux Post 141. While this activity does require a permit from Howell Township, we are unable to issue a permit for this property at this time. The American Legion currently has an unpaid Municipal Civil Infraction ticket. Under the Township's Zoning Ordinance section 21.04 no permits can be issued until all fees and fines due to the Township have been paid in full. Should you work with the American Legion's management, and they pay their ticket, we would then be able to review the submission regarding the fence and issue the necessary permit.

Should you have any questions or wish to discuss further please let me know.

Thanks,
