Date: April 8, 2026

KISSANE AVENUE AND DEVONSHIRE BOULEVARD ROAD REHABILITATION

The Kissane and Devonshire Road Rehabilitation Projects will begin on Monday, April 13, 2026. The tentative schedule for this work is as follows:

- April 13 – April 17 – Removal and Pouring of Concrete
- April 20 – April 25 – Milling of the Roadway, Land Grading, and Turf Restoration*
- April 27 – May 1 – Roadway Paving
- May 4-May 8 – Coring and Concrete Pouring around Water Valves and Sewer Manholes.

* Work may occur on Saturday, April 26, if needed.

The contractor will be working on both streets simultaneously.

Drivers are asked to follow posted detours. All residents within the project area will be able to access their homes; however, some delays may occur. For the safety of workers, pedestrians, and other drivers, please stay alert and drive carefully.

Please see the maps below for the location of the work.

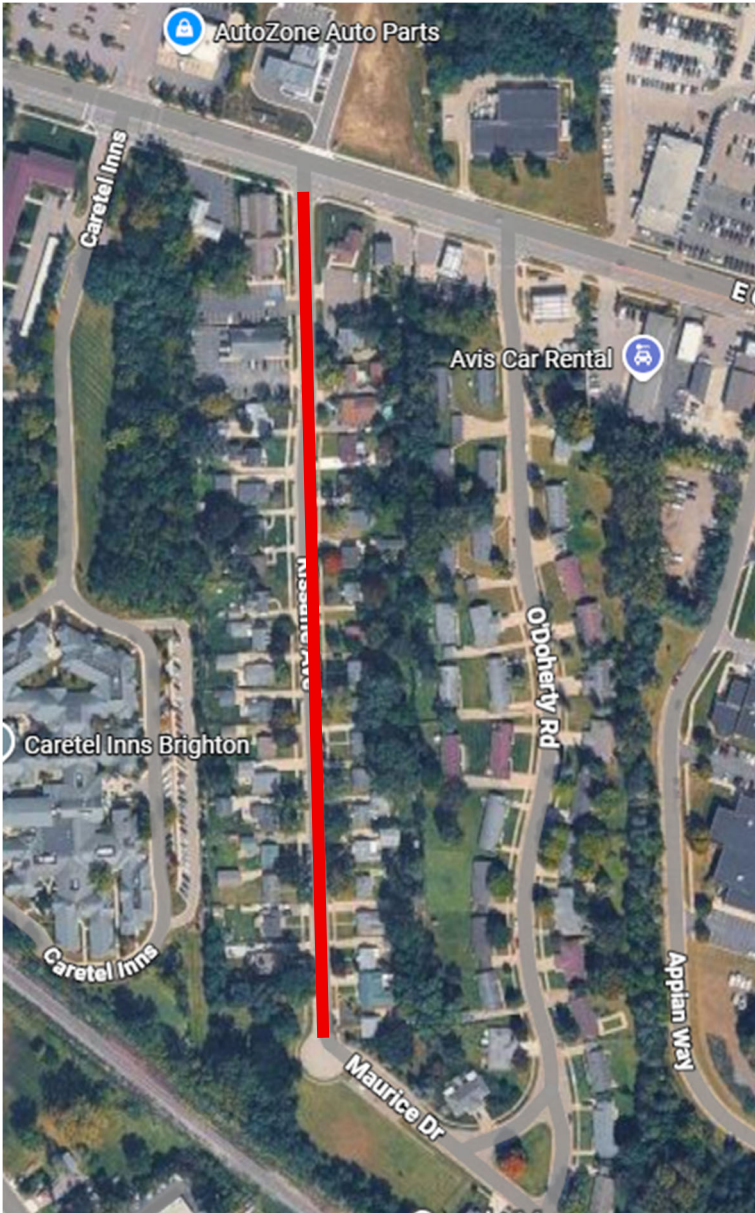

Please contact us at dps@brightoncity.org or 810.225.8001 for questions or concerns.

To view details and stay up to date on the progress of the work, you can visit the project and sign up to receive updates by clicking this link: "[Kissane and Devonshire Rehabilitation Project](#)".
