

On Saturday, November 11th, the Charyl Stockwell Preparatory Academy Middle School Miners robotics team participated in their first competition at Mason Middle School in Mason, Michigan. The team, from Brighton, Michigan, was ranked second overall at the end of qualifying matches. They were the first pick of the #1 alliance. Their alliance was 2-0 in the semifinals and 2-1 in the finals to win the event. This is the first time that the CSPA Miners have won an event and their third time qualifying for States in their four year history. Through their success at the Mason qualifier, they earned a spot to compete at the FIRST in Michigan State Championship which will be held in Battle Creek in December.
