

One point I will make is I didn't call Judy Daubenmier a liar about the MEME. I called her a liar for saying I was a racist, sexist and ageist. I have family that are African Americans along with some good friends. I have been married for 45 years to one of the strongest people I've ever met. I have three daughters and three sisters that are very strong ladies.

On behalf of my family, Friends and myself I was outraged that one post of a Meme could draw these ridiculous conclusions. I have worked for Livingston County since joining the Sheriff's department in 1973. I have worked hard for the citizens of Livingston County to always do the right thing. When the citizens of our County decide to vote me out of office, then and only then will I walk away from my commitments to our great citizens.

As far as Steve Williams goes, I think it's sad that he is trying to take advantage of this situation for his own personal political gain.

Thank you
