

- Tabitha Dolan, 46 years old
- Married w/2 adult children
- Lived in Hamburg Township 22 years
- Small Business owner of a digital x-ray manufacturing company
- Previous Elected to Pinckney Community Schools Board of Education 2005-2009

With the passing of my father-in-law, Dennis Dolan, I have decided to run for the District 8 County Commission seat that he was actively representing. We are going to be facing uncertain economic times from this crisis and Livingston County will need strong leadership that can find the positive in most any situation, be willing to look outside-the-box and make decisions based on common sense. During my term on the Pinckney Schools Board of Education I faced difficult decisions due to the economy at the time and declining enrollment, some of them were unpopular but needed for the district's financial health. I began working for a small Digital X-ray Manufacturer 10 years ago that had a half dozen employees and unnecessary overhead. I was put into a position that allowed me to make spending adjustments and grow sales to over a million dollars annually and I now own the company. I'm asking for the opportunity to represent the citizens of District 8 and all of Livingston County.
